

## Coordinator for Mobile Meals Volunteer Meal Deliverers Attestation Form

As the Group Coordinator for the \_\_\_\_\_ Adopt A Route program, I take responsibility for providing individual volunteer drivers and meal deliverers with the Mobile Meals Attestation Form, Code of Ethics, Volunteer Guidelines, and delivery procedures.

I will have each volunteer driver and/or meal deliverer sign the Attestation for Members to verify that he/she has not been convicted of any criminal offense, and if driving, has a valid Ohio Driver's License and current automobile liability insurance. If the volunteer will not be driving but is delivering meals to clients' homes, I will have him/her sign the attestation verifying that he/she has not been convicted of any criminal offense. If the potential volunteer has been convicted of a crime or if a volunteer driver does not have a valid Driver's License, I will ensure that he/she must refrain from volunteering as a driver.

I will inform volunteer drivers and meal deliverers that they must not partake in any alcohol consumption or be under the influence of any illegal substance before or during any assigned volunteer meal delivery time for Mobile Meals.
